APPLICATION FORM FOR GRANT FROM HGEF

The Furniture Scheme manages the HG Enabling Fund on behalf of the Hall Garth Charitable Trust.

What the fund is for and who can apply:

Eligibility

The main focus for the fund is to help individuals who have the will and motivation to help themselves but are lacking the funds to be able to overcome certain barriers and hurdles to do this. We are particularly interested in people on benefits and low incomes who want to improve their prospects for the future.

This is a local fund and available to people living in the south Shropshire area, specifically Ludlow, Craven Arms, Bishops Castle, Church Stretton and Cleobury Mortimer.

The grant

Grants distributed will normally be up to £500 but we will consider applications for larger amounts.

Potential uses of the fund could be:

- ✓ driving lessons to enable access to work
- ✓ childcare to support an individual to attend an interview
- ✓ small car repairs, an MOT needed to enable an individual to get back to work
- ✓ funding for trade tools needed for progression
- ✓ costs to start a new business
- ✓ Short term funding of training and educational costs

How to apply

If you wish to apply to the fund, please complete the application form and return it to:

James Cooper, Rockspring Community Centre, Sandford Road, Ludlow SY8 1SX

Your application will be processed at the Furniture Scheme and we will notify you of the decision as soon as possible. We may contact you by telephone or email if we need to clarify any of the information you have given us.
