OUR WONDERFUL VOLUNTEERS!

Hello Everyone!

Welcome once more to our Volunteer update.

We continue to recruit many excellent volunteers and make full use of their time and skills. In return we hope we give something back to them. We always try and ascertain what people want to gain from their time with us and tell them about the help and support we can give. As I usually say when I first meet a potential volunteer, 'I've spent a lot of time finding out what you can do for us – now tell me what we can do for you?' We seem to have a good track record of helping people to achieve their goals whether they are developing employment skills, getting qualifications, gaining confidence, giving something back to the community and achieving a sense of satisfaction from that, or simply relieving boredom. It's very much a two way street.

On that front, we are now piloting a new qualification to partner our current Open College Network modules. It is called 'Developing Practical Skills & Techniques' and is ideal for certain volunteer roles, for instance in Carpentry. Our thanks go to Carpentry volunteer Joseph Cookson for being our 'guinea pig'!

On a personal level, I want to let everyone know that this will be my last Volunteer News entry as I am leaving my post in mid June and concentrating on the freelance work I currently undertake.

I've been working part time with the Furniture Scheme for two and a half years and have very much enjoyed the role. I've met so many interesting and inspirational volunteers and worked with great colleagues. It's been a real privilege.

I know that my successor will find the role as fulfilling as I have and I send my very best wishes and thanks to all our fantastic Furniture Scheme staff and to all our wonderful volunteers.

And now over to the best bit ... **Volunteer Voices**

Volunteer Voices

From Re-use Centre Volunteer – Kristian Speke

Hi. I'm Kristian Speke. Upon moving back to Ludlow I had applied for variety of jobs and had no luck or no reply, so I thought I'd apply for volunteer work to keep me busy/active. I looked online and saw The Furniture Scheme website. They were advertising volunteer positions so I applied. I attended a brief interview and induction. I liked what I heard and thought, 'I'll give this a go and see what it's like.'

My first day was in the Yard (Weeping Cross Lane). I was shown the ropes and introduced to the staff. It first struck me what a great bunch of people they were – friendly, welcoming, helpful and they really appreciate the help I/you give them. The kind of people you really want to work with. I helped out sorting the showroom and the storage room. I was really surprised by how much stock the Scheme had. It just goes to show how much it is supported and respected by the public. It really is a fantastic service and really helps the local community and people who are struggling. A lot of customers popped in during the day too. I went home that night feeling really good, knowing I'd done a worthwhile job helping others.

My second day, I went out helping in the van, delivering and collecting with the driver. All customers said good things about the Scheme. I've been here 4 months now and have enjoyed every day's work I've done for them. It really is a fantastic place to work. I'd recommend it to anyone. I went from nothing to do at home each day to doing something I really enjoy with a fantastic bunch of people. Every day is different. You get chances to do courses to enhance your CV, yard work, van driving, electrical testing, shop work, dealing with the public/customers, and recycling.

If you're out of work or just want something to keep you busy, I highly recommend volunteering for the scheme. It was a turning point in my life and it gives me a great sense of pride too. The local community really benefits from it and it has massive support.

Help out if you can. I promise – you won't regret it!

PS Pop in and have a look. They have a vast collection of furniture, electrical and bric a brac at fantastic prices.

From Rockspring Community Centre Volunteer, Anita Breakwell

I started volunteering at Rockspring in January. I started in the kitchen. I peel spuds, wash up, ice cakes, serve people their lunches and clear up. I help Marilyn with the shopping as well.

I do enjoy it because it's been a new experience for me. I speak to new people. Marilyn has taught me things like putting pans on the cooker safely and to be aware of safety.

I've done two qualifications – a Food Hygiene Certificate and an Open College Network Award. I'm really pleased about this.

From Craven Arms Community Centre Volunteer, Louise Passmore

I started at CasCA in January. I volunteer and sort coffees and teas out for meetings and I get refreshments ready for those who come in on a day to day basis so they can help themselves. I do the dishwasher – and I've now decided I want one myself!

Everyone is very friendly, even people I've not seen before who just come in for meetings. They always say, 'Hello' and you just get talking really. I did a Happiness course here and it did me good. A lot of people have been through the same sort of things as me. It's good to know you're not alone.

I get computer help from Adrian. He's very good at explaining things well. He'll go over things until I can do it and then we move on. I know I'm really learning a lot.

I'm also going to do a Want to Work course soon.

I think I'm more outgoing since I've been here and I don't let myself be taken for granted any more. I know I'm worth more and I'm not just going to take second best.

VOLUNTEER TRAINING OPPORTUNITIES

We will be continuing our popular courses in Customer Service, Mental Health First Aid and Carpentry. Details of courses will be displayed at all sites when courses are finalised so please apply for a place quickly to avoid disappointment!

In addition, we continue to offer national Open College Network qualifications via a range of Work Experience modules.

Jean Jarvis—Chief Executive

As always it has been a busy few months at The Furniture Scheme. The library is safely ensconced in our Craven Arms Community Centre, CasCA, along with Shropshire Council's Customer Service Point. We're averaging 40 library customers a day and staff have been very busy during this settling in period. I've been really impressed with the way they've all coped with this and dealt with all customers in The Furniture Scheme's friendly, helpful and knowledgeable manner. Giving the same excellent customer service to negative and positive customers alike! This has been facilitated and supported by Centres Coordinator Maria Darcy, it's inevitable that she's seen an increase in her workload, but as always she's coped brilliantly.

I've been impressed also with staff at other sites. They've all been busy setting up new ways to increase income, whilst still working hard to provide our wonderful service to the community. This has been led and supported by James Cooper and Gill Pitt, but the behind the scenes support for this is also important and there's a real 'can do' attitude within the Furniture Scheme's staff and volunteer team, everyone just gets on with it and find ways to make things work. I'm always sorry to lose one of our team and I'd like to join James in saying good bye and thank you to Chris Christie and very good luck for the future.

I've been busy working through FUSE, our social enterprise development agency, forging new links in Staffordshire to ensure that when we open the doors to Northfield Community Hub in Stone Road, Stafford we have a range of interesting and relevant activities for local people to participate in, as we do at our community centres in Shropshire.

Clean Cut Services our grounds maintenance and cleaning social enterprise is starting to gain momentum, two trainees are about to start the induction process and will be working alongside Mick Cooney and Mike Bolton the Clean Cut staff to provide an efficient service to Wrekin Housing Trust tenants.

This new work is a testament to our success and our experience over the last 20 years. We've built a range of enterprises that connect and interact to provide so many opportunities and services to local people and we're replicating this in Staffordshire.

Thank you everyone for making the Furniture Scheme the organisation it is, it's your enthusiasm and commitment that makes it so special.

James Cooper—General Manager

Our positive start to 2014 has continued and everyone is working hard to ensure we meet the demand for low cost furniture. During the recession(s) we have been determined to maintain our core support for those most in need and despite the UK being 'officially out of recession' there are still many people that simply cannot afford essential furniture. As ever, we are grateful to those members of the public that continue to donate furniture and thank you also to our many volunteers who give up their spare time to support our Charity. The 'Volunteer Voices' on pages 4 and 5 demonstrate just how rewarding volunteering can be.

As an organisation we have always achieved a lot with a little and we are always looking for new ways to sustain our services without relying on grant funding. During 2014, our 20th year, we will be asking our supporters to help us continue our services well into the future. Over the next 6 months our staff, volunteers and supporters will be undertaking a number of sponsored events in an effort to raise funds to contribute to our core costs and enable us to undertake new and exciting projects. We also want to celebrate this important milestone and our first celebration will take place on July 20th 2pm – 6pm at Ludlow Castle in collaboration with Ludlow Food Festival, who are also in their 20th year. Look out for details on this event via our website and at our sites.

There has been a real buzz across the Furniture Scheme in the last few months and lots of exciting new projects are underway, including the new 'Attic Bazaar' upstairs at the Renaissance Flea Market, production of furniture made from recycled wood at our workshop, reconditioned washing machines at our Re-use Centre (see page 16) and lots of community activities at our Community Centres (pages 8 -11).

Finally, I'd like to add my own thanks to Chris Christie who will be leaving us in June – we'll miss you!

SPONSORS NEEDED!

There are many unsung heroes in South Shropshire who have given generously over the years. Often the most generous are also the most modest and wish to remain anonymous. For example, we receive a monthly donation from a retired business man to part support the employment of a young person who had previously been struggling to find work. We also receive regular donations from a local trust who, like ourselves, are passionate about relieving poverty. During these difficult times we are supporting even more people at even greater cost. If you would like to sponsor the employment of a young person or donate towards keeping our vans on the road please get in touch. As a busy and diverse charity we make the most of your donations. £300 will provide a domestic violence survivor who has had to urgently flee a life threatening situation with a new washing machine, microwave and kettle as well as a houseful of re-used furniture. If you can help contact James Cooper, General Manager on 01584 874922 or email james@furniturescheme.co.uk

Community News – By Christine Perkins – Community Engagement Worker

Community Choir

The choir took part in the Minsterley Eisteddfod in March and came THIRD! So we are a prize winning choir! (shhhh ... there were only three choirs in our section!!! Thank goodness there were no more entries!)

It was a great evening, if not a little nerve racking and we are looking forward to taking part again – if Minsterley have recovered from our rendition of “Rhythm of Life”

The Choir has just performed an open air concert on the Ludlow Millennium green, commemorating the era in which the First World War started. We were very lucky to have Rapsquillion , the award winning but grizzled veterans of the Shropshire and mid-Wales folk music scene, supporting us. It was a thought provoking programme as well as having some audience participation with renditions of “pack up your troubles” and “it’s a long way to Tipperary”

Forthcoming events, where you can see the choir in action – Ludlow Fringe Festival – 25th June, 7.00pm at the Buttercross.

Ludlow Castle on 20th July at 2.00pm, where we will be helping the Furniture scheme celebrate its 20th year in operation.

Photography Course at Rockspring Community Centre.

14 budding photographers came along to the recent photography course at Rockspring Community Centre, led by Tom Middleton from Shropshire Media Network. The course started with demystifying the functions of digital cameras, then going out on location to Stokesay Castle and the Secret Hill Discovery Centre, and finishing with improving/altering pictures using the photoshop package available at Rockspring Community Centre. It was a hugely enjoyable course and feedback from the group has asked for more of the same! So look out for further photography courses either at Rockspring community centre or Craven Arms Community Centre. If anyone would like to start a photographic club at Rockspring Community Centre - do get in touch.

The Wrekin Housing Trust 's partnership with The Furniture Scheme

A new partnership was formed in April 2013 between The Furniture Scheme and The Wrekin Housing Trust, and they have recently taken delivery of their new van which is being used to deliver and collect items for The Furniture Scheme, based in Ludlow.

The two companies have teamed up to provide new business and volunteer opportunities in Shropshire, and the benefits of the partnership are already clear to see.

The Furniture Scheme, celebrating its 20th anniversary this year, has set up a new business called Clean Cut, a social enterprise which, from April, will create two new positions who will work with up to four trainees at any one time to deliver maintenance and cleaning services.

The Wrekin Housing Trust will be using Clean Cut Services to deliver cleaning and landscaping services to some of its flats, supporting the opportunities for local trainees and in turn ensuring their tenants receive a great service. Trainees will receive support to achieve two qualifications whilst with Clean Cut as well as gaining practical skills and employability support. www.cleancutservices.co.uk

As well as this, The Furniture Scheme has been working with The Wrekin Housing Trust on new developments in South Shropshire, and recently stripped the old tax office which the Trust will be demolishing to make way for new affordable housing. All of the contents removed will be recycled or reused in some way, or sold on with the profits going back into The Furniture Scheme to help more local people gain work and volunteering experiences, or to set up their own social enterprises.

Working with The Wrekin Housing Group, which also consists of Reviive furniture stores, Choices Housing and Shropshire Housing Alliance, The Furniture Scheme has also recently been successful in their bid to run the Community Hub at Northfield Village, a brand new flagship extra care scheme in Stafford, which the Trust and Choices are working on with Staffordshire County Council. This will be in addition to the community centres already run by The Furniture Scheme in Craven Arms and Ludlow.

David Garratt, Development Manager for the Trust in South Shropshire, said: "There is a lot of good work going on within the Group and already we have some great services and innovations happening due to teaming up with The Furniture Scheme, with lots more in the pipeline. It's great to have the van too, as a visual reminder to everyone of the work that's going on in the new partnership."

Trailblazing housing group chosen as Large Social Landlord of the Year

The Wrekin
Housing Group

The Wrekin Housing Group, made up of The Wrekin Housing Trust, Revivie, Choices, The Furniture Scheme and Shropshire Housing Alliance are thrilled to have won the Large Social Landlord category at the UK Housing Awards, beating stiff competition from around the country.

Board members and employees are thrilled to be recognised with this prestigious award, following their individual and partnership work in all areas of housing, development, care, advice and social enterprise.

The judges, who included experts from the world of housing, said: "The Wrekin Housing Group entry really stood out. It was felt that they were not scared to do things differently and step outside what everyone else is doing. They consistently performed highly and were not afraid to set the trail for others to follow."

The Group's award submission was based around high-quality landlord and care services, providing homes for local people, tackling homelessness and worklessness and adding social value. The Group's leadership, people, great delivery of services, forward thinking and innovation and ensuring value for money, were all contributing factors in winning this fantastic award.

Morag Bailey, Head of Continuous Improvement, said: "It's hugely rewarding for everyone in the Group to be recognised for their hard work and efforts in building a vibrant, creative company, delivering real benefits to customers, service users and communities. We would especially like to thank our tenants, who are the best in the country at paying their rent and who give up lots of their own time to be involved in the work of the Trust and Group."

CIH chief executive Grainia Long said: "Congratulations to all the winners of this year's UK Housing Awards. Their innovative work will help raise standards and provide inspiration across our industry."

Getting to know you ... Amy Morling— Management Support Assistant

How long have you worked at The Furniture Scheme?

I began working at The Furniture Scheme in January 2014. I started off as a volunteer at CasCA and helping with admin at Rockspring, then I was taken on as a part-time employee after 6 months.

What is your role at The Furniture Scheme?

I am a Management Support Officer at Rockspring Community Centre and CasCA. I assist the Senior Management Team with their day-to-day activities, and ensure that all paperwork is up to date and filed correctly.

What do you most enjoy about your job?

I most enjoy being part of such a great team of people at The Furniture Scheme! I love working for a charity as it's nice to know that the work I do contributes to the community's wellbeing.

I also enjoy Rockspring Thursdays, as it is lovely to get out of the office and have a chat with the locals, especially over a plate of Marilyn's famous sausage and mash!

Reviive is a community interest company and is a partnership between the Furniture Scheme and the Shropshire Housing Alliance. Both charities are committed to relieving poverty and protecting the environment and supporting a range of people in need, including victims of domestic violence, families living in poverty through unemployment and those excluded through disadvantage.

Youth Forum News

It still amazes me how many people still confuse the Youth Forum with the statutory/public youth work sector. We are a small, wholly independent charity who rely on sources of funding from grant applications to donations and while we occasionally get commissioned to do pieces of work though the Council we have to battle to find money to keep our services going.

Our work with around 300 young people ranges across south Shropshire – from Cleobury in the East to Church Stretton in the North (and all the areas in between). We deliver a service six days/nights a week.

We pride ourselves on taking young peoples' ideas and supporting them in making it happen and so we are frantically working to secure the resources to run activities across the area for the summer and beyond.

Easter was a busy time for us; we were helping local young people produce a video, organised a clean up at the Rockspring centre, delivered a bike ride for the Rockspring play scheme and ran some sports activities on Wheeler Road. At Cravens Arms we ran sports sessions and visited a brand new bmx track in Telford.

I mentioned fundraising earlier, and a fundraising bike ride took part during Easter to help raise money for the Youth Forum – it was amazing to see so many people turn out and support the ride organised by Travel Shropshire with people as far away as New Zealand taking part (they were on holiday in the area and didn't travel specially for the bike ride!), so a big thanks to everyone who took part!
